

money doesn't grow on trees...

*...but did you know it can fly from
my cell phone to yours?...*

Sign up is fast and easy!

simply visit

www.themoneyreferral.com

How it works.

Simply point your phone or PC to www.themoneyreferral.com, sign up for an account and we will deposit some small amounts of money into your bank account. Once your bank posts the deposits, log back into your money referral account and verify the exact amount of money we sent you. Once you do, your account will become certified. Then simply send a text message to us with the recipients cell phone number, and the dollar amount you wish to send and we will take care of the rest. It's that simple.

security check	<input type="text" value="ab4d"/> <input type="text" value="a_b4d"/>
<input type="button" value="SIGN IN"/>	

After Signing on to your account you can:

...perform many banking operations using your cell phone

- ◆> Approve reoccurring transactions
- ◆> Pay/approve money transfers for invoiced transactions
- ◆> Pay your vendors when products arrive instantly
- ◆> Use our service to eliminate paper checks
- ◆> View a sub total transaction history of every transfer you made-

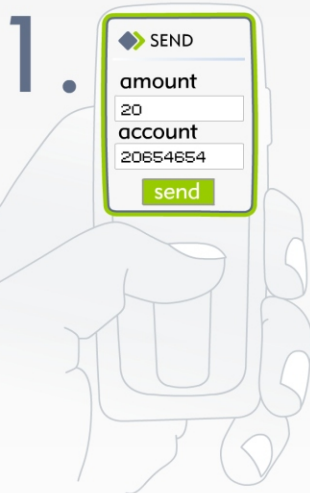

If your mobile phone supports browsing, you can use it to perform many higher level banking functions. In addition to sending money to cell phones, you can pay your bills online, transfer money using a person's email address, and receive referral points for sending money to anyone who signs up.

Sending money has never been easier. Forget western union or cashier checks, now you can send money using you cell phone from anywhere to anyone in the world. Once you start using our mobibank solution, you'll wonder how you ever got along without it.

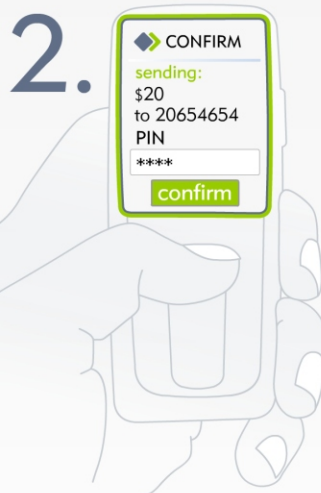

How to Send Money?

Sending money is quick and easy

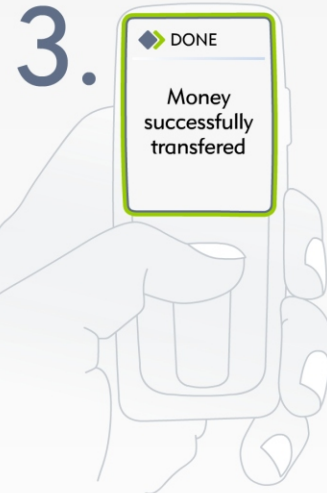

Both you and the person you are sending money to have to sign up to use our service. It costs nothing to sign up and it's fast and easy.

In the text message you send to us, type in the dollar amount you would like to send followed by the phone number of the person you would like to send it to.

We will text back a message to you confirming your request. Simply reply to it using your cell phone by texting us your security PIN code confirming your intentions.

We will send you a confirmation text message showing the dollar amount and phone number to which you sent the money.

What can I use the money referral services for?

Now You can use your cell phone to send and receive money!

Use the mobibank service to transfer money to your college kid's bank account.

You can easily send money to your son or daughter away at school even while you are talking to them.

Pay your auto insurance without losing your coverage.

In case you just got paid and your insurance is due, you can send the money immediately not to incur reinstating penalties.

Pay your mortgage, utility bills or make a donation for a good cause.

Buy products you see in a magazine by texting your payment to the number published in the article.

Buy products you see in a magazine by texting your payment to the number published in the article.

We will take care of the rest, and notify you when your product has been shipped with an estimated arrival, right to your mobile phone.

Discover a whole new world of convenience you were missing.
